REPORT NARRATIVE

SYNOPSIS:

Rita Pitsikos and her husband **(b)(5)(B)** were arguing about **(b)(5)(B)** stopping at an unknown female's house after going to the store. At about 1806 hours, an anonymous neighbor called 911 to report an unknown trouble at the Pitsikos **(b)(5)(B)** residence. The called described to the Sheriff Communications Center call taker that a female was screaming, "get away from me...leave me alone...don't touch me and get out." The reporting party stayed on line with the Sheriff call taker giving updates to the situation. The yelling was on-going and continuous. At about 1811 hours, the reporting

party reported hearing the sound of what he believed to be a wooden baseball bat hitting concrete. The female was then heard screaming again.

At about 1815 hours, the reporting party described that both Pitsikos and (b)(5) now being violent and fighting with each other. At 1817 hours, the first patrol unit was dispatched to the scene to investigate. I was in the area and stopped by the scene to assist. I looked through the windows and saw both parties move about inside the residence pushing and yelling at each other. (b)(5) was telling Pitsikos that he was leaving before the police arrived and wanted to find his wallet. Pitsikos told him that she was not going to allow him to leave the residence. (b)(5) picked up a pack of cigarettes from the living room table and began to walk outside. Pitsikos grabbed him from behind and began pulling on him saying the cigarettes were hers and that he was not leaving the residence.

I announced myself at the front door and Pitsikos locked the screen door denying me entrance. Pitsikos walked away saying she had not done anything wrong. (b)(5) unlocked the door and allowed me to enter the residence. I told Pitsikos she was under arrest for domestic violence. Pitsikos refused to follow me outside. I repeated my command three times before (b)(5) stood up from the couch and challenged me. I called for cover and detained (b)(5) while directing my X26 Taser at him. (b)(5) and Pitsikos were now both non-compliant with any and all of my directives. Pitsikos called 911 demanding a Sergeant respond because she felt threatened. Cover units arrived on scene and (b)(5) was taken into custody after a short struggle and being shot with the Taser.

Pitsikos continued to refuse to comply and began physically fighting with the responding deputies to avoid being taken into custody for the domestic violence charge. Pitsikos struggled violently and sustained an injury to her right arm while refusing to be handcuffed. It was later determined Pitsikos sustained a spiral fracture to her right arm. Pitsikos was transported to the Sharp Hospital in Chula Vista for treatment of her injury and later placed under arrest for the domestic violence charge. Pitsikos was admitted at Kaiser Hospital for her right arm injury pending a surgery.

It was discovered that (b)(5) had a served Criminal Protective Order against him by Pitsikos and an active \$25,000.00 dollar misdemeanor domestic violence warrant out for his arrest. (b)(5) was booked into the San Diego Central Jail.

ORIGIN:

A radio call of unknown trouble at (b)(5) 12th Street in the city of Imperial Beach. I was in the area and responded to the scene to assist.

INVESTIGATION:

On 03/06/2012, at about 1806 hours, I was assigned to work as a traffic enforcement deputy (71T6B) in the city of Imperial Beach. I was driving my marked Sheriff Traffic unit (# 20810) and was wearing the prescribed uniform of the San Diego County Sheriff's Department. I was in the area of the 702 beat located in the northern part of the city when I heard a radio call broadcasted regarding an unknown trouble at (b)(5)(B) 12th Street.

An anonymous neighbor (b)(5)(B) called 911 to report an unknown trouble at the Pitsikos (b)(5)(B) residence located at the same address. The caller described to the Sheriff Communications Center dispatcher that a female, later identified as Rita Maria Pitsikos (b)(5)(A), at the residence was screaming, "get away from me...leave me alone...and don't touch me...get out." The reporting party, later determined to be (b)(5)(B) requested to remain anonymous because (b)(5)(B) (b)(5)(B) stayed on the telephone line with the Sheriff dispatcher giving updates to the situation as they unfolded.

(b)(5)(B) said the yelling had been on-going and continuous since the initial call. At about 1811 hours, (b)(5)(B) reported hearing the sound what she believed to be a wooden bat hitting concrete. The female was heard screaming again. At about 1815 hours, (b)(5)(B) described that both Pitsikos and (b)(5)(B) were both being violent and actively fighting with each other. At 1817 hours, the first patrol unit was dispatched to the scene to investigate.

I was in the area and stopped by the scene to assist the other dispatched patrol units. I was the first to arrive and as I got out of my patrol car I overheard loud yelling (both male and female) coming from inside the residence. I looked through the curtained windows and saw both parties moving about inside the residence pushing and yelling at each other. (b)(5)(B) was telling Pitsikos that he was leaving before the police arrived and wanted to find his wallet. Pitsikos told him that she was not going to allow him to leave the residence. I saw Pitsikos stand in the hallway blocking (b)(5)(B) from leaving the bedroom area. Pitsikos appeared to be the main aggressor of the two subjects.

(b)(5) continued to tell her that he was tired and was leaving. (b)(5) pushed Pitsikos out of the way and entered the living room area. (b)(5) kept saying he was not leaving the residence without his wallet because he needed his identification. I walked up to the open front door and stood there. A metal security screen door blocked my path from entering the residence. I announced my self by saying, "Sheriff's Department...can you let me in?" (b)(5) picked up a pack of cigarettes from the living room table and began to walk out the front door.

Pitsikos began screaming the cigarettes (b)(5) had picked up were hers. I saw Pitsikos grab (b)(5) from behind and began pulling on his upper body preventing him from leaving the residence. (b)(5) was standing in front of me inside the residence and replied, See...the police are already here." I again requested the screen door be opened and allow me inside to speak to them. As I reached for the door handle I saw Pitsikos reach past (b)(5) and lock the screen door. Pitsikos said (they) had done nothing wrong and argue all of the time. Pitsikos walked out of my view and sat on the couch. I told (b)(5) to unlock the screen door which he did. (b)(5) then walked backwards and sat on the couch near Pitsikos but not next to her.

I walked inside the living room and saw both subjects were still very animated and appeared to have been sweating. I explained to the both of them why I was there and asked Pitsikos to stand up and walk outside with me. Pitsikos refused saying she was not going with me. Based on my observations of their behavior, I determined an act of domestic violence had occurred and that Pitsikos was the aggressor of the two, albeit (b)(5) was also as culpable because he too had been pushing and shoving Pitsikos during the incident. I told Pitsikos I was placing her under arrest for domestic violence and again asked her to stand up and walk outside.

(b)(5) said, "Oh no you're not" and began to get up off of the couch to challenge me. I feared (b)(5) was attempting to engage me in a physical confrontation to prevent Pitsikos from being arrested. I drew my X26 Taser and pointed it at (b)(5) telling him to sit down. If I had not drawn my Taser to control (b)(5) we would have engaged in a physical fight in the small confines of the living room that would have resulted in a potential injury to either of us. Pitsikos began screaming that she was being threatened by my presence and the display of my Taser towards (b)(5). Pitsikos picked up the telephone and called 911. I heard Pitsikos tell the 911 call taker that she wanted a Sergeant at the scene immediately because a deputy was holding a Taser on her husband. At about 1820 hours, I requested a second unit to respond to the scene to cover me as both subjects were becoming more agitated and confrontational. Without resorting to a much stronger level and subsequent use of force I was unable to control both subjects by myself.

I maintained my position of advantage until Deputy Vega #6954 arrived on scene to assist me. Deputy Vega contacted (b)(5) and asked him to comply. I overheard (b)(5) say that he was leaving, got up, and jumped over the couch. I saw (b)(5) run toward the kitchen area. I feared (b)(5) was attempting to access a weapon as there was no door to exit the residence from the kitchen area that I could see. At about 1823 hours, I fired my X26 Taser at (b)(5) striking him in the left elbow and jacket. A single positive barb contact was made with (b)(5)(B) person as I heard him scream in pain. (b)(5) fell to the floor

as the Taser charge cycled. Deputy Vega attended to **(b)(5)** while I kept a watch on Pitsikos. Pitsikos was yelling and screaming. To minimize her movement while **(b)(5)** was apprehended I placed body weight on her legs and stomach as she stayed seated on the couch. Pitsikos began to flail her body from side to side to get away from my control. I saw **(b)(5)** continued to fight aggressively with Deputy Vega and refused his commands to place his hands behind his back to be handcuffed. I saw **(b)(5)** attempt to get up and again try to climb over the couch. Deputy Vega struck **(b)(5)** a number of times with a flashlight on his left arm until he complied.

Deputies Hernandez #0008 and Townsend #4977 arrived on scene to assist us. **(b)(5)** was handcuffed and escorted outside the residence. I was still in control of Pitsikos and told her to put her hands behind her back. Pitsikos continued to say that she would not and continued to fight with me. Deputy Vega joined me on the couch as we struggled to control Pitsikos. Pitsikos is about 5'05" tall and weighs in excess of 250 pounds. Pitsikos continued to refuse to comply with our command to put her hands behind her back and to stand up. Pitsikos never complained or stated that she was unable to perform that command because of medical of physical reasons.

Deputy Vega was able to get a single handcuff on Pitsikos' right wrist while I was able to get a single handcuff on her left wrist. Because of Pitsikos large body size and her continued struggle we were unable to connect them. Deputy Townsend joined us and attempted to control Pitsikos. Pitsikos had rolled her body onto her stomach and was pulling her right arm into her side preventing me from completing the handcuff maneuver. Using a Sheriff's Academy instructed maneuver I used my extended expandable baton and positioned it under her extended arm, placing the tip at her shoulder blade, I used that position as fulcrum to prevent Pitsikos from pulling her right arm inward.

As I maintained control of her right arm Pitsikos forcibly pulled her arm downward. I heard a slight "pop" sound and was able to gain full control of her right arm and complete the handcuffing. I did not see any deformity, redness, swelling or any other signs to identify an injury to her right arm, nor did Pitsikos complain of any pain or injury. Pitsikos was taken into custody and escorted out to my patrol car. At about 1829 hours, Sgt. Andersen #2394 arrived on scene and was briefed regarding the incident and the use of force. Imperial Beach Fire Engine #39 and AMR Medic #413 arrived on scene. Pitsikos complained that she was asthmatic and was having difficulty breathing. Pitsikos was evaluated for her medical complaint. Pitsikos was unhandcuffed and now complained that her right arm was in pain. Paramedics evaluated her right arm and determined she had sustained an injury near her right elbow. Pitsikos was transported to Sharp Hospital in Chula Vista for treatment of her medical complaints. It was later determined Pitsikos sustained a spiral fracture to her left arm. Pitsikos was transported to the Sharp Hospital in Chula Vista for treatment of her injury.

(b)(5) also complained of pain to his left arm and a history of seizures. Due to the fact **(b)(5)** had sustained a point contact with a Taser barbs he was evaluated for any injury resulting from that contact. **(b)(5)** was cleared at the scene by paramedics. Deputy Vega told me **(b)(5)** also had an outstanding Domestic Violence warrant in the system. A records check confirmed **(b)(5)** had a \$25,000.00 dollar misdemeanor DV warrant #S247188 issued out of South Bay Court on 02/03/2012 by Judge Sonntag for

a failure to appear on a charge of 243(e)(1) PC. A computer query also showed **(b)(5)(P)** has a valid served DV Criminal Protective Order **(b)(5)(B)** issued 04/29/2011 showing Rita Pitsikos as the protected party. The Criminal Protective Order expires on 04/29/2014.

Deputy Vega told me **(b)(5)(P)** had made a spontaneous statement at the scene. **(b)(5)(P)** said he had stopped by a female's house while walking home and that is why (they) were arguing. Pitsikos accused him of cheating on her.

(b)(5)(P) was transported to the Imperial Beach Sheriff Station for processing. I followed the ambulance to the Sharp Hospital in Chula Vista to conduct my follow-up. At the hospital I spoke to Pitsikos about what had happened. Pitsikos gave me the following statement.

STATEMENT OF: Rita Pitsikos (Suspect);

Rita Pitsikos said she and **(b)(5)(P)** were arguing because he had lied to her. She was tired of the lies and was very upset. **(b)(5)(P)** told her he was leaving and that made her very angry. Pitsikos said she could not focus her mind because she was so upset about the argument they were having. Pitsikos said she couldn't put her hands behind her back because her muscles lock up. Pitsikos told **(b)(5)(P)** to leave but when he grabbed her cigarettes she became mad and told him he was not leaving with them (cigarettes), not that he was not able to leave on his own. Pitsikos said she and **(b)(5)(P)** argue all of the time and she had done nothing wrong.

INVESTIGATION CONTINUED:

I told Pitsikos that she was under arrest fro the domestic violence incident, but due to her medical needs I was releasing her at the hospital per 849.5 P.C. I gave Pitsikos a copy of the 849 P.C. form and returned to the Imperial Beach Sheriff Station. Deputy Vega had processed **(b)(5)(P)** and he was ready to be transported. **(b)(5)(P)** was complaining of pain to his left arm and shoulder area. I transported **(b)(5)(P)** to Sharp Hospital in Coronado where he was seen by Emergency Room Doctor **(b)(5)(B)** for his injuries. It was determined **(b)(5)(P)** had no broken or fractured bones and had sustained only contusions from being struck by Deputy Vega's flashlight during the arrest. **(b)(5)(P)** was medically cleared and subsequently booked into the San Diego Central Jail without incident. **(b)(5)(P)** made no statement to me regarding the incident or his involvement in it.

Pitsikos was treated for her injury and it was determined by Sharp Hospital Emergency Room Dr. **(b)(5)(P)** that she has sustained a spiral fracture to her right arm. Pitsikos was being transported to Kaiser Hospital in San Diego for continued care. Based on the extent of the injury she received during the incident Deputy Goren #3095 drove to the Sharp Hospital in Chula Vista and took custody of her. A guard was dispatched from the San Diego Central Jail to the Kaiser Hospital pending her transfer to the Las Colinas Women's Jail in Santee for booking.

REPORT NARRATIVE**ORIGIN:**

On 3-6-12, at about 1817 hours, I responded to a call of an unknown trouble at **(b)(5)(A)** 12th Street where a female was heard yelling, "Get away from me, leave me alone" (CAD# 9841694).

INVESTIGATION:

Deputy J. Jackson (#1784) was closer to the address and responded to assist me during the call. I arrived at **(b)(5)(A)** 12th Street and I observed Deputy Jackson's vehicle was parked in front of the house. I quickly exited my patrol vehicle and walked to the front door of the residence. I heard Deputy Jackson giving someone inside loud verbal instructions to stay seated. As I entered the residence, I observed a male, later identified as **(b)(5)(B)** sitting on the couch located in the living room. I also observed a female, later identified as Rita Maria Pitsikos, also sitting on the couch opposite to **(b)(5)(B)**. Deputy Jackson had his Taser pointed in the direction where **(b)(5)(B)** was seated. Pitsikos was yelling that she was being threatened

by Deputies and was on the phone. Deputy Jackson continued giving (b)(5)(B) loud verbal instructions to remain seated. I heard (b)(5)(B) say, "You are not arresting us", as he jumped up onto the seat cushions of the couch. (b)(5)(B) then jumped over the backrest of the couch and made a dash toward the kitchen of the house. I was within arm distance of (b)(5)(B) and I took hold of him by his left arm and the back of the hooded sweater he was wearing. I was concerned that (b)(5)(B) was trying to avoid a lawful detention or arrest and was trying to evade Deputy Jackson and I. I was also concerned for safety due to not knowing if there were any weapons readily available inside the house to (b)(5)(B). I began giving (b)(5)(B) verbal instructions to calm down and to put his hands behind his back. (b)(5)(B) continued making an attempt to run away from me into the kitchen area after I had hold of him. I told (b)(5)(B) repeated times to stop resisting me. Deputy Jackson deployed his Taser on (b)(5)(B). As Deputy Jackson's Taser was still cycling through its first five second cycle, I heard (b)(5)(B) let out a loud yell and he dropped to his knees.

I kept holding (b)(5)(B) by his left arm and the back of his sweater and I guided his body and gently rested him against the back portion of the couch as I continued asking him to relax and to give me his hands. As soon as Deputy Jackson's Taser finished its first cycle, (b)(5)(B) began fighting me and continued trying to stand up and started pushing me back. I placed my body weight using my chest and arms on top of Morris's shoulder to keep him in a kneeled position and his chest resting on the back of the couch. I gave (b)(5)(B) repeated commands to stop fighting me and to give me his hands. (b)(5)(B) began swinging his right arm in an effort to get me off of him and turn around toward me. While I was struggling to gain control of (b)(5)(B) Deputy Jackson was giving Pitsikos verbal commands to give him her hands also. I looked up and saw that Deputy Jackson was also physically struggling to gain control of Pitsikos on the couch. I made a decision at this point to use force on (b)(5)(B) to effect a lawful detention and to prevent the possibly of injury to (b)(5)(B) or to me resulting from a prolonged struggle. I administered four to five strikes using my patrol flash light to Morris's left forearm area as I continued telling him to stop resisting me. (b)(5)(B) let out another yell and said, "Ok, ok, please don't hit me again, take my hands, take my hands". (b)(5)(B) finally placed his hands behind his back like I had been asking him and I was able to place handcuffs on both of his wrists. Deputy Hernandez arrived as I was finishing handcuffing (b)(5)(B). Pitsikos was still actively thrashing her body, legs, and hands around on the couch as Deputy Jackson continued trying to gain control of her as he continued giving her verbal commands to stop resisting. Deputy Hernandez maintained positive control of (b)(5)(B) while I jumped over the couch to assist Deputy Jackson in gaining control of Pitsiko. I was able to place a handcuff on Pitsiko's right wrist as she was face up partially on the couch with her back on the seat area. Deputy Jackson was able to place a handcuff on Pitsiko's left wrist. Pitsiko partially rolled over onto her side and I took hold of her left wrist placing behind her back. Deputy Jackson and I were able to roll Pitsiko onto her stomach. Deputy Jackson and I gave Pitsiko repeated verbal commands to relax, give us her hands, and to stop fighting us. Even though I had control of Pitsiko's left arm, she continued trying to keep her right arm near her torso area and refused to place it behind her back for handcuffing. Deputy Jackson used his expandable baton to extract Pitsiko's arm out from under her and we were finally able to place both arms behind her back and handcuffed both arms.

After Pitsiko was handcuffed, she continued to be very agitated and would not listen to my requests to please relax and calm down. Deputy Jackson and I escorted Pitsiko outside to a patrol vehicle and asked her to have a seat inside the car. Pitsiko refused to get all the way in the car and stated she needed air. I kept the door open to allow Pitsiko to settle down and take deep breathes. Firefighters from the Imperial Beach Fire Department and paramedics from AMR #413 responded to the scene. Pitsiko complained of shortness of breath and pain to her right arm. She was transported to the hospital by ambulance to be medically evaluated.

Deputy Jackson placed (b)(5)(B) under arrested for 243(e)(1) PC- Spousal Abuse, 148(a)(1) PC- Delaying a Peace Officer, 166(c)(4)- violation of a criminal protective restraining order, and an outstanding bench warrant. I assisted Deputy Jackson in transporting (b)(5)(B) to the Imperial Beach Sheriff Station to complete his booking paperwork. After Morris's booking paperwork was completed, Deputy Jackson transported (b)(5)(B) to the Sharp Coronado Hospital for a medical evaluation and then to the San Diego Central Jail for booking.

PROPERTY**REPORT NARRATIVE****SYNOPSIS:**

Rita Pitsikos and her husband **(b)(5)(B)** were arguing about **(b)(5)(B)** stopping at an unknown female's house after going to the store. At about 1806 hours, an anonymous neighbor called 911 to report an unknown trouble at the Pitsikos **(b)(5)(B)** residence. The called described to the Sheriff Communications Center call taker that a female was screaming, "get away from me...leave me alone...don't touch me and get out." The reporting party stayed on line with the Sheriff call taker giving updates to the situation. The yelling was on-going and continuous. At about 1811 hours, the reporting party reported hearing the sound of what he believed to be a wooden baseball bat hitting concrete. The female was then heard screaming again.

At about 1815 hours, the reporting party described that both Pitsikos and **(b)(5)(B)** now being violent and fighting with each other. At 1817 hours, the first patrol unit was dispatched to the scene to investigate. I was in the area and stopped by the scene to assist. I looked through the windows and saw both parties move about inside the residence pushing and yelling at each other. **(b)(5)(B)** was telling Pitsikos that he was leaving before the police arrived and wanted to find his wallet. Pitsikos told him that she was not going to allow him to leave the residence. **(b)(5)(B)** picked up a pack of cigarettes from the living room table

and began to walk outside. Pitsikos grabbed him from behind and began pulling on him saying the cigarettes were hers and that he was not leaving the residence.

I announced myself at the front door and Pitsikos locked the screen door denying me entrance. Pitsikos walked away saying she had not done anything wrong. (b)(5)(B) unlocked the door and allowed me to enter the residence. I told Pitsikos she was under arrest for domestic violence. Pitsikos refused to follow me outside. I repeated my command three times before (b)(5)(B) stood up from the couch and challenged me. I called for cover and detained (b)(5)(B) while directing my X26 Taser at him. (b)(5)(B) and Pitsikos were now both non-compliant with any and all of my directives. Pitsikos called 911 demanding a Sergeant respond because she felt threatened. Cover units arrived on scene and (b)(5)(B) was taken into custody after a short struggle and being shot with the Taser.

Pitsikos continued to refuse to comply and began physically fighting with the responding deputies to avoid being taken into custody for the domestic violence charge. Pitsikos struggled violently and sustained an injury to her right arm while refusing to be handcuffed. It was later determined Pitsikos sustained a spiral fracture to her right arm. Pitsikos was transported to the Sharp Hospital in Chula Vista for treatment of her injury and later placed under arrest for the domestic violence charge. Pitsikos was admitted at Kaiser Hospital for her right arm injury pending a surgery.

It was discovered that (b)(5)(B) had a served Criminal Protective Order against him by Pitsikos and an active \$25,000.00 dollar misdemeanor domestic violence warrant out for his arrest. (b)(5)(B) was booked into the San Diego Central Jail.

INVESTIGATION:

On 03/06/2012, at about 1806 hours, I was assigned to work as a traffic enforcement deputy (71T6B) in the city of Imperial Beach. I was driving my marked Sheriff Traffic unit (# 20810) and was wearing the prescribed uniform of the San Diego County Sheriff's Department. I was in the area of the 702 beat located in the northern part of the city when I heard a radio call broadcasted regarding an unknown trouble at (b)(5)(A) 12th Street.

An anonymous neighbor (b)(5)(A) called 911 to report an unknown trouble at the Pitsikos residence located at the same address. The caller described to the Sheriff Communications Center dispatcher that a female, later identified as Rita Maria Pitsikos (b)(5)(A) at the residence was screaming, "get away from me...leave me alone...and don't touch me...get out." The reporting party, later determined to be (b)(5)(B) requested to remain anonymous (b)(5)(B) identified as (b)(5)(B) (b)(5)(B) (b)(5)(A) stayed on the telephone line with the Sheriff dispatcher giving updates to the situation as they unfolded.

(b)(5)(B) said the yelling had been on-going and continuous since the initial call. At about 1811 hours, (b)(5)(B) reported hearing the sound what she believed to be a wooden bat hitting concrete. The female was heard screaming again. At about 1815 hours, (b)(5)(B) described that both Pitsikos and (b)(5)(B) were both being violent and actively fighting with each other. At 1817 hours, the first patrol unit was dispatched to the scene to investigate.

I was in the area and stopped by the scene to assist the other dispatched patrol units. I was the first to arrive and as I got out of my patrol car I overheard loud yelling (both male and female) coming from inside the residence. I looked through the curtained windows and saw both parties moving about inside the residence pushing and yelling at each other. (b)(5)(B) was telling Pitsikos that he was leaving before the police arrived and wanted to find his wallet. Pitsikos told him that she was not going to allow him to leave the residence. I saw Pitsikos stand in the hallway blocking (b)(5)(B) from leaving the bedroom area. Pitsikos appeared to be the main aggressor of the two subjects.

(b)(5)(B) continued to tell her that he was tired and was leaving. (b)(5)(B) pushed Pitsikos out of the way and entered the living room area. (b)(5)(B) kept saying he was not leaving the residence without his wallet because he needed his identification. I walked up to the open front door and stood there. A metal security screen door blocked my path from entering the residence. I announced my self by saying, "Sheriff's Department...can you let me in?" (b)(5)(B) picked up a pack of cigarettes from the living room table and began to walk out the front door.

Pitsikos began screaming the cigarettes (b)(5)(B) had picked up were hers. I saw Pitsikos grab (b)(5)(B) from behind and began pulling on his upper body preventing him from leaving the residence. (b)(5)(B) was standing in front of me inside the residence and replied, "See...the police are already here." I again requested the screen door be opened and allow me inside to speak to them. As I reached for the door

handle I saw Pitsikos reach past (b)(5)(B) and lock the screen door. Pitsikos said (they) had done nothing wrong and argue all of the time. Pitsikos walked out of my view and sat on the couch. I told (b)(5)(B) to unlock the screen door which he did. (b)(5)(B) then walked backwards and sat on the couch near Pitsikos but not next to her.

I walked inside the living room and saw both subjects were still very animated and appeared to have been sweating. I explained to the both of them why I was there and asked Pitsikos to stand up and walk outside with me. Pitsikos refused saying she was not going with me. Based on my observations of their behavior, I determined an act of domestic violence had occurred and that Pitsikos was the aggressor of the two, albeit (b)(5)(B) was also as culpable because he too had been pushing and shoving Pitsikos during the incident. I told Pitsikos I was placing her under arrest for domestic violence and again asked her to stand up and walk outside.

(b)(5)(B) said, "Oh no you're not" and began to get up off of the couch to challenge me. I feared (b)(5)(B) was attempting to engage me in a physical confrontation to prevent Pitsikos from being arrested. I drew my X26 Taser and pointed it at (b)(5)(B) telling him to sit down. If I had not drawn my Taser to control (b)(5)(B) we would have engaged in a physical fight in the small confines of the living room that would have resulted in a potential injury to either of us. Pitsikos began screaming that she was being threatened by my presence and the display of my Taser towards (b)(5)(B). Pitsikos picked up the telephone and called 911. I heard Pitsikos tell the 911 call taker that she wanted a Sergeant at the scene immediately because a deputy was holding a Taser on her husband. At about 1820 hours, I requested a second unit to respond to the scene to cover me as both subjects were becoming more agitated and confrontational. Without resorting to a much stronger level and subsequent use of force I was unable to control both subjects by myself.

I maintained my position of advantage until Deputy Vega #6954 arrived on scene to assist me. Deputy Vega contacted (b)(5)(B) and asked him to comply. I overheard (b)(5)(B) say that he was leaving, got up, and jumped over the couch. I saw (b)(5)(B) run toward the kitchen area. I feared (b)(5)(B) was attempting to access a weapon as there was no door to exit the residence from the kitchen area that I could see. At about 1823 hours, I fired my X26 Taser at (b)(5)(B) striking him in the left elbow and jacket. A single positive barb contact was made with (b)(5)(B) person as I heard him scream in pain. (b)(5)(B) fell to the floor as the Taser charge cycled. Deputy Vega attended to (b)(5)(B) while I kept a watch on Pitsikos. Pitsikos was yelling and screaming. To minimize her movement while (b)(5)(B) was apprehended I placed body weight on her legs and stomach as she stayed seated on the couch. Pitsikos began to flail her body from side to side to get away from my control. I saw (b)(5)(B) continued to fight aggressively with Deputy Vega and refused his commands to place his hands behind his back to be handcuffed. I saw (b)(5)(B) attempt to get up and again try to climb over the couch. Deputy Vega struck (b)(5)(B) a number of times with a flashlight on his left arm until he complied.

Deputies Hernandez #0008 and Townsend #4977 arrived on scene to assist us. (b)(5)(B) was handcuffed and escorted outside the residence. I was still in control of Pitsikos and told her to put her hands behind her back. Pitsikos continued to say that she would not and continued to fight with me. Deputy Vega

joined me on the couch as we struggled to control Pitsikos. Pitsikos is about 5'05" tall and weighs in excess of 250 pounds. Pitsikos continued to refuse to comply with our command to put her hands behind her back and to stand up. Pitsikos never complained or stated that she was unable to perform that command because of medical or physical reasons.

Deputy Vega was able to get a single handcuff on Pitsikos' right wrist while I was able to get a single handcuff on her left wrist. Because of Pitsikos large body size and her continued struggle we were unable to connect them. Deputy Townsend joined us and attempted to control Pitsikos. Pitsikos had rolled her body onto her stomach and was pulling her right arm into her side preventing me from completing the handcuff maneuver. Using a Sheriff's Academy instructed maneuver I used my extended expandable baton and positioned it under her extended arm, placing the tip at her shoulder blade, I used that position as fulcrum to prevent Pitsikos from pulling her right arm inward.

As I maintained control of her right arm Pitsikos forcibly pulled her arm downward. I heard a slight "pop" sound and was able to gain full control of her right arm and complete the handcuffing. I did not see any deformity, redness, swelling or any other signs to identify an injury to her right arm, nor did Pitsikos complain of any pain or injury. Pitsikos was taken into custody and escorted out to my patrol car. At about 1829 hours, Sgt. Andersen #2394 arrived on scene and was briefed regarding the incident and the use of force. Imperial Beach Fire Engine #39 and AMR Medic #413 arrived on scene. Pitsikos complained that she was asthmatic and was having difficulty breathing. Pitsikos was evaluated for her medical complaint. Pitsikos was unhandcuffed and now complained that her right arm was in pain. Paramedics evaluated her right arm and determined she had sustained an injury near her right elbow. Pitsikos was transported to Sharp Hospital in Chula Vista for treatment of her medical complaints. It was later determined Pitsikos sustained a spiral fracture to her left arm. Pitsikos was transported to the Sharp Hospital in Chula Vista for treatment of her injury.

(b)(5)(B) also complained of pain to his left arm and a history of seizures. Due to the fact (b)(5)(B) had sustained a point contact with a Taser barbs he was evaluated for any injury resulting from that contact. (b)(5)(B) was cleared at the scene by paramedics. Deputy Vega told me (b)(5)(B) also had an outstanding Domestic Violence warrant in the system. A records check confirmed (b)(5)(B) had a \$25,000.00 dollar misdemeanor DV warrant #S247188 issued out of South Bay Court on 02/03/2012 by Judge Sonntag for a failure to appear on a charge of 243(e)(1) PC. A computer query also showed (b)(5)(B) has a valid served DV Criminal Protective Order #S247188 issued 04/29/2011 showing (b)(5)(C) as the protected party. The Criminal Protective Order expires on 04/29/2014.

Deputy Vega told me (b)(5)(B) had made a spontaneous statement at the scene. (b)(5)(B) said he had stopped by a female's house while walking home and that is why (they) were arguing. Pitsikos accused him of cheating on her.

(b)(5)(B) was transported to the Imperial Beach Sheriff Station for processing. I followed the ambulance to the Sharp Hospital in Chula Vista to conduct my follow-up. At the hospital I spoke to Pitsikos about what had happened. Pitsikos gave me the following statement.

STATEMENT OF: Rita Pitsikos (Suspect);

Rita Pitsikos said she and (b)(5)(B) were arguing because he had lied to her. She was tired of the lies and was very upset. (b)(5)(B) told her he was leaving and that made her very angry. Pitsikos said she could not focus her mind because she was so upset about the argument they were having. Pitsikos said she couldn't put her hands behind her back because her muscles lock up. Pitsikos told (b)(5)(B) to leave but when he grabbed her cigarettes she became mad and told him he was not leaving with them (cigarettes), not that he was not able to leave on his own. Pitsikos said she and (b)(5)(B) argue all of the time and she had done nothing wrong.

INVESTIGATION CONTINUED:

I told Pitsikos that she was under arrest fro the domestic violence incident, but due to her medical needs I was releasing her at the hospital per 849.5 P.C. I gave Pitsikos a copy of the 849 P.C. form and returned to the Imperial Beach Sheriff Station. Deputy Vega had processed (b)(5)(B) and he was ready to be transported. (b)(5)(B) was complaining of pain to his left arm and shoulder area. I transported (b)(5)(B) to Sharp Hospital in Coronado where he was seen by Emergency Room Doctor (b)(5)(B) for his injuries. It was determined (b)(5)(B) had no broken or fractured bones and had sustained only contusions from being struck by Deputy Vega's flashlight during the arrest. (b)(5)(B) was medically cleared and subsequently booked into the San Diego Central Jail without incident. (b)(5)(B) made no statement to me regarding the incident or his involvement in it.

Pitsikos was treated for her injury and it was determined by Sharp Hospital Emergency Room Dr. (b)(5)(B) that she has sustained a spiral fracture to her right arm. Pitsikos was being transported to Kaiser Hospital in San Diego for continued care. Based on the extent of the injury she received during the incident Deputy Goren #3095 drove to the Sharp Hospital in Chula Vista and took custody of her. A guard was dispatched from the San Diego Central Jail to the Kaiser Hospital pending her transfer to the Las Colinas Women's Jail in Santee for booking.

FORCE USED:

Body weight (Pitsikos)
Expandable baton used as fulcrum (no strikes) Pitsikos
Taser deployment (b)(5)(B)

INJURIES:

Pitsikos sustained a spiral fracture injury to her right arm.
(b)(5)(B) sustained contusions to his left arm and shoulder. (b)(5)(B) was also tazered during the incident.

Both subjects were treated for their injuries at local hospitals.
